IDENTITY FOUNDATION ANNUAL REPORT FOR THE YEAR 2022-23

Identity Foundation: Growing with Confidence

About Identity Foundation

Identity Foundation (IF) is a charitable trust (E-3981-Pune) registered with the office of the Charity Commissioner of Pune. Identity Foundation has been working with underprivileged children since September 2003. It is a not-for-profit organisation without any political and religious affiliations.

Programme: Reading Class

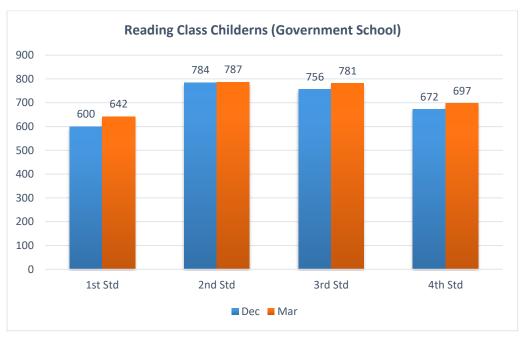

CHILDREN: 5719 FOR READING CLASS GOVERNMENT SCHOOL

The organization has been conducting reading classes since 2006 in the municipal schools. Presently the reading classes are conducted in 15 government schools and 14 private schools. A team of educators (referred to as "book fairies") carry a large range of books with them to the school during the school hours and assist the students between the 1st and 4th grade in reading them. The book fairies go to each class once a week for one hour. The children are divided into groups based on their reading levels (reading levels are determined through a pre-test and two post-tests are conducted to find the change in reading levels). Books are distributed as per these reading levels. In addition, several activities such as songs, stories, word games etc. are also used to build the interest of children in reading.

Objectives & Methodology:

- Developing reading skills of children.
- Inculcating reading habits.
- Child development through stimulating the child's capacities.
- Encouraging children's participation in all activities.
